Invest in Szczecinek!

INVEST WISELY - ADD SZCZECINEK TO FAVOURITES!

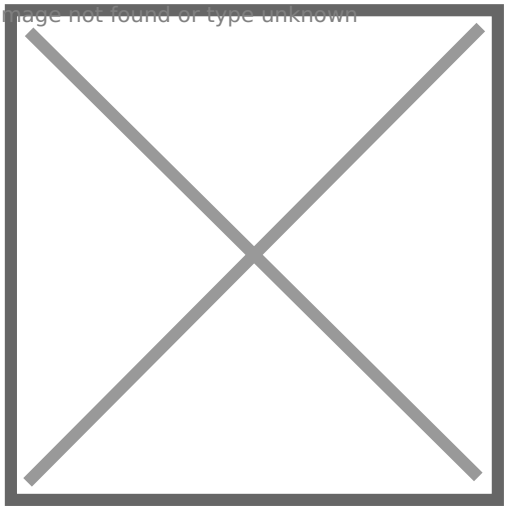

Szczecinek is not only a tourist attraction of the Drawsko Lake District, it is also one of the most rapidly growing towns in Poland. Systematically implemented concepts, an impressive number of infrastructural investments, a great location and itsposition as one of the most important railway hubs in the region make Szczecinek a very attractive place for industrial investments. Our town is open and friendly to investors; they can always count on professional assistance and an attractive tax rebate scheme. With them in mind, 131 acres of land for investments, favourably located, were included in the Special Economic Zone.

Thanks to the use of EU founds, road, sewage and electricity infrastructure was provided for two major complexes in the "Szczecinek Area" of the Słupsk Special Economic Zone, resulting in over 101 acres of attractive land for investment. The town has steadily raised the quality of life of its residents, providing them with high standards of health care, an attractive sport and leisure offer, a network of school, adjusted to the needs of the local job market and an easy access to cultural institutions. We are throroughly prepared for daring investment challenges. What matters that we have the necessary potential for their effective implementation.

The areas prepared for investors are situated by the S11 national rout, connecting the south of Poland with the Baltic Coast (the Kołobrzeg Port). Our offer fo business includes both plots of land the SME sector and for major companies.

Particularly attractive for wood and furniture business is the Leśna complex which neighbours the company the company Kronospan, a worldwide leader in MDF manufacturing. Over 74 acres of industrial land are locatedby a railway hub, a 20 MW power supply point and connections to other utillities, which also are available within the complex.
